For the first time in my life a boy came along and took my daughter Chanelle away. They fell in love and went to visit the family in the West. Chanelle and Lyle were in love with each other. Lyle and Chanelle had two wonderful children Michael and Phillip. They were all loved and cherished by Nanna and Poppa Bradley.

Lyle was a person who loved family and friends. His life was of Laughter and joy. However Tragedy struck him when his family was taken from him sadly. Sickness and pining for his family was the most devastating part of his life

Lyle we loved you and adored you until the end of your life.

We will love you forever. Good bye Son. Rest in Eternal Peace you are at peace with your family now.

Always in our Hearts.

Bradley and Mum Maggie.

## EULOGY

Lyle was born on the 11th April, 1972 in the Esperance Hospital. He grew up in Esperance with his family Roderick and Norma Beasley and his sisters Stasha, Loretta, Sharna and his Uncle Alby who they treated as a brother. As he grew up he was involved in many sporting activities in the district mainly Basketball and football. Lyle play for the Ports Football Club in Esperance wearing No. 2 Jumper like his dad Rod. Lyle was always popular with his uncles and Aunties and all his relatives and friends and his cousins. As Lyle grew older he wanted to travel, so he got into a car and travelled to Port Augusta and it was here he met his true love Chanell Forrest.

Lyle brought Chanelle back to meet the family and introduced us to a beautiful daughter in law. After a year and a half later little Michael was born and then young Phillip who were both beautiful babies. Lyle named his 2 children after his cousins Michael and Phillip Dimer who are both deceased.

About two years ago, a sad tragedy took his little family away from him. It was this tragedy we feel that Lyle hung onto for he loved and worshipped his family with all his heart that took his life. Lyle request was to come back to Port Lincoln and Port Augusta and to be with his families over here who loved him as their son. Last words to his Mum and Dad and his sisters and brothers was to be buried with his wife and children in Port Augusta. Both Chanelle and Lyle were full of fun and laughter and we know the happiness in their voices as they phoned us often telling us they missed us and that they loved us. It is their laughter and love together that will be remembered always until we meet again in Heaven.

*My son, if words could only come easy to me to say all the things I want to say about my feeling for you, and to tell you that I Love You with all my heart. The most wonderful words you said to me and mum was "I LOVE YOU" and you gave us a great big big hug, and we held you in our arms. God only knows the heartache that you felt after your loss and we felt it too. He has taken you back with your family and to give you peace.*

*Four Bright stars are watching the world as it sleep, Shepherds watch over the little white sheep. The lighthouse is shining for ships far at sea as God keeps the night watch for you and for me. So sleep, sleep in peace and rest. Don't be afraid of the darkness. All's well far over the land and sea God's keeping the night watch for you and for me.*

*So rest in peace my son. I will always remember you, all my love.  
DAD.*

*I still can remember the day you came into this world and I held you close to me you were so small the most treasured gift of all a bouncing baby boy you took my Breath away then you started growing up you were always so independent you did your own things in your own way, you shared a lot of thoughts with me Happy and Sad until you left home and went to live in S.A. When I saw you leaving on the train you took my breath away again. You fell in love with a Beautiful girl name Channel Forrest and you had two beautiful boys of your own. Then you lost your whole world when they were sadly taken from you. They took my breath away again. When you came back home to the West your heart was back in SA. So you left again you met a friend name Katrina who looked after you who I am so grateful for because you were with people who love you I'd like to thank you all for loving my son. Now that you have left this world and gone to a new world you took my breath away again. There is one thing you will never take away and that is the treasured memories I have of you which will stay with me for every. Safe in the Arms of Jesus. Until we meet again. Your MUM.*
