In Loving Memory of

Linda Warren

1st January 1923

9th November 2000

Linda Warren

Born at Mumpewie Station, in South Australia, on the 1st January 1923.

Linda was the eldest of 11 children, the beloved daughter of Hilda and Jack Landers.

Dearly loved wife of Angus, loving mother of Lance, Frank, Jean, Keith, Maisie, Hazel (dec), Geoffrey, Graham, Rosemary, Mavis, and Faye, and loving caregiver to her granddaughter Karen.

Beloved grandmother of 44 grandchildren, 81 great grandchildren and 1 great-great grandchild.

Linda and Angus were married on
18th May 1940
At Finnis Springs Station

Where they spent most of their married life. She was deeply devoted wife and mother to more than just her own family, though her priority was always 'family first'.... As well as raising her own family, she helped by cooking for the shearing team and other station workers.

Later the family moved to Marree and then to Port Augusta for both her husbands' employment and for her failing health.

Linda was always loving and kind and affectionately cared for other families in crisis or just in need of tender, loving care.

Linda was baptised and regularly attended church with her family. Despite the hard times she would smile with delight and offer her advice to uplift your spirit.

Linda enjoyed family gatherings, was always cheerful and had a healthy, fun filled sense of humour. She enjoyed her country music and was a staunch follower of the 'Crows' football team. She loved to ride horses when she was young on the station.

Linda was loved and respected by her family and everyone who knew her understood the value of a good friend.

Now reunited with your daughter and grandchildren.
Until we meet again
